# About Us

Hi, I'm Krissy de Groot!  
Owner and Lead Designer of  
Myrtle & Magnolia!

I am so glad you are here and interested  
in working with us!

With a degree in Dramatic Arts and  
certification in Floral Design, I am able  
to design and execute weddings with  
ease. As a Certified Floral Designer  
through the American Institute of Floral  
Design since 2019, I am a highly trained  
floral designer with the mechanical  
skills needed to build custom florals.

My entire team has over 20 years of  
event experience ranging from Floral  
Design to Technical Theatre, which  
gives us an edge when it comes to  
production.

Every wedding is our show!

All of the prices listed are subject to change based on flower choices and  
seasonal availability.

A 35% service fee & 8% Philadelphia tax is added to the final order. The service  
fee covers labor, delivery, setup, changeover, breakdown, and donation.
